

CONFIDENTIAL

MEMORANDUM FOR THE RECORD

14 JUN 1960

SUBJECT: Dispersal of NIS to Supplement VM Program

25X1 Phone conversation with [] regarding the availability
25X1 of sets of NIS [] at time of emergency dis-
closed the following:

25X1 1. At the present no [] office maintains a complete
set of the NIS. X

25X1 2. Most [] Offices are located in critical target areas.

25X1 3. It was [] 25X1
[] would be most logical points from
25X1 standpoint of safety. [] does not presently 25X1
have space to house the collection.

4. He suggested that we obtain a list of the critical target areas
as well as information pertaining to fall out pattern.

5. He had no objection to our building up the partial collections
at any of the field stations if we determine it advisable.

25X1 I also contacted [] to inquire as to the availability of 25X1
complete sets of the NIS at overseas stations. He checked with []
